

Track Rules

- 1. If your car doesn't register a time you lose regardless of the win light. If both cars don't register a time the race will be rerun with the same dial ins.**
- 2. If your car de slots, regardless if it goes back into the slot, you lose regardless of the win light.**
- 3. It is the racer's responsibility to check their times prior to running. If you lose because your dial in was incorrect it's your fault.**
- 4. No wiping the track past the tree. If you do that car is disqualified.**
- 5. Your car breaks out you lose. If both cars break out the car with the highest break out lose.**
- 6. You red light, you lose.**
- 7. Once you stage and the lights start coming down and your car backs out, you lose.**
- 8. Track director's decision is final.**
